RE: **General Plan Advisory Committee 2010 Regular Meeting Schedule**

Planning Staff has proposed a tentative regular meeting schedule for the first half of 2010 and asks Committee members' for their input. The proposed dates (each to be held at 6 p.m. on a Thursday) are:

- January 21 or February 11
- March 11
- April 15
- May 20 or June 3
- July 15

Staff requests Committee members' feedback and availability for these dates, and for preference of dates for those meetings with two dates noted.

The attached schedule shows possible agendas for these dates and "homework assignments" for the Committee members to perform. This reflects the direction that Staff is recommending to the Board of Supervisors for its December 15 meeting. The General Plan consultant will be at the December 10 meeting to help answer questions about the schedule and needed tasks. Also attached, for Committee members' information and future use, are maps depicting the County's current zoning and General Plan land use designations.
